

SPECIAL ACCOMODATIONS

The Kids Club Staff is not trained in the handling of children with developmental challenges. Your child **must be able** to participate in a group setting and follow scheduled activities with reasonable accommodation. If your child has an IEP or Behavior Plan and needs modifications it is important to keep staff informed. You should contact the Program Director to discuss these matters. If your child has a one-on-one aide in the school, you must inform the Program Director via the registration forms. The YMCA does not have the resources to provide one-on-one aides for the Kids Club Program.
